19 July 2020

Dear Parent

On the 6th of July 2020, Gr 6, Gr 1-3 and Gr R learners will be returning to school. Thus, we find ourselves preparing for the “new normal”. One of our main goals is to expedite the screening process in the mornings.

Please take note of the following:

All learners will be given a booklet (Passport) for the term. Starting 6th July.

Enclosed within this passport will be health questionnaires that you have to complete daily

All questions should be answered truthfully so that we do not compromise the health and safety of others.

If you find that your child is ill, do NOT send him/her to school.

Any child forgetting to carry their passport will be in breach of the prescribed operating procedure and will NOT be allowed into the school.

Temperatures will still be taken before learners enter the school.

Grade 7 learners have been given health questionnaires only for the next two weeks. They will receive a new passport once the other learners return to school on the 6th of July.

We have confidence that you will assist us in this matter to ensure successful screening of learners.

Yours in Education

Mr A. Beekhan (HOD)

Mrs C. Havenga (Acting HOD)
