Dear Parent/Guardian

Further to our email on the 6th July 2020, we wish to inform you that our school has re-opened its doors to all Grade 6 & Grade R learners.

The attendance to-date, however is reason for concern.

The school wishes to assure you that all protocol and safety measures have been instituted in the hope of creating a barrier between your child and the virus.

Further, the Department of Education has provided each learner with the necessary PPEs to curb the spread of infection.

It is hoped that on receipt of this correspondence, we will see our attendance figures for both Grades improve.
