3rd July 2020.

Good Morning Parents,

As per our previous communique with you, the following grades were expected to return to school on Monday 6th July 2020 Grade R,1,2,3 and 6. However as per the announcement by the Minister only Grade Rs and Grade 6s would return to school on Monday.

At a SGB Zoom meeting held on 2nd July 2020 the SGB resolved that Grade R and Grade 6 children should not return to school on Monday as the school has not received the PPEs for the children who were expected to return. We believe that the safety of our children and teachers comes first. The SGB is very happy about the efforts made by the Melpark staff to get the school ready for the reception of the learners. The school has been deep cleaned and sanitized and all measures are in place to do the necessary screening, sanitization and social distancing, but these are not enough without the masks, soap, and sanitizers for children.

The School Management will inform parents when the PPEs arrive and it is safe for learners to return to school. In the meantime, we advise you to keep your children at home until you hear from the school.

Grade 7 learners may come to school as they have already received their PPEs. The other grades will be duly informed about their return dates.

Regards,
Mrs. N. Padayachee
