Dear Parent/Guardian

11 September 2020

Melpark Primary is excited to announce that we will be implementing the use of a new and interactive communication platform named **ClassDojo**.

Millions of families world-wide use ClassDojo to have a window into their child's day at school. Parents with ClassDojo accounts can see the Class Story and School Story (all of your classroom and school photos and announcements), receive and send messages to their child's teacher and see their child's positive and negative points.

The school will use this platform to send important messages, post events and upload work to those learners who are at home.

Please be ensured that all messages and information relevant to your child is private and can only be viewed by you, the parent/guardian and the respective teachers.

- **A unique class link will be sent to you on the Grade WhatsApp groups and posted on the website.**
- **Click on the link and register yourself as a parent by completing the relevant information.**
- **Remember to tick the box to agree to the terms and conditions.**
- **Enter your child's name and request to connect.**
- **The class teacher will then accept you.**

ClassDojo can be accessed by downloading the App on your mobile phone/tablet or by searching ClassDojo on the internet on a laptop or desktop computer.

Please note that parents will only be able to send messages to teachers Monday-Fridays, 07:00 – 16:00.

We are looking forward to your support in this matter.

Yours in Education
