## **MATHS OLYMPIAD** ÷

T. Bodiat

After last week's Cluster Maths Olympiad held at Everest Primary School, we're pleased to announce that one of our Grade 6 learners has advanced to the next round.

Congratulations to Snowie Mgxoloza (6M) for making it to the District Round (held on 21 May 2025). Unfortunately she did not make it to the Provincial round.

We so proud of her for making it this far. 

## SOCCER TRIALS

R. Kannemeyer

What a busy few months it has been in the soccer calendar.

From the 17th to the 20th of May, 5 Melpark Primary School boys were selected by their coaches to attend the JPSFA district trials. From these 5 boys, 4 were chosen to represent the Johannesburg North District at a soccer tournament which highlights up and coming talent. The chosen boys were: Junior Nkanyani (7F), Lethabo Motaung (7F), Olwethu Mkhwemte (5N), Thabo Classens (7F) and Kagiso Moraladi (6M).

At this tournament, boys are then selected to represent their province at the Bill Stewart tournament in Limpopo.

We, as Melpark Primary School, are delighted to announce that Olwethu Mkhwemte  has been scouted and will represent Gauteng at the Bill Stewart Cup tournament!

We are so proud as a school that our boys are being recognised for their talent. Well done boys!

## IT'S MY WORK

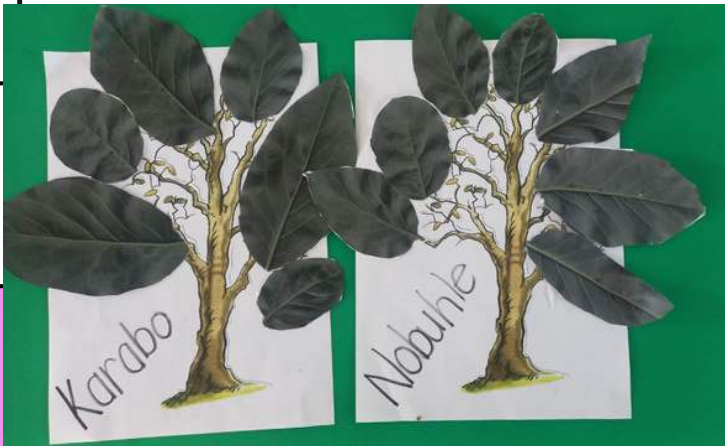

M. Moila & N. Meth

This week we have added a new feature to the newsletter where we will be showcasing some of the work that our learners are doing in class.

This is my work 

This week we feature Grade R who have been exploring themes of Autumn  and they also read a story titled: The Beanie Nest.

Our learners painted a picture of a beanie for the story of the week 'The beanie nest' and also made a pattern using big and small leaves on an Autumn tree.
