TECHNOLOGY OLYMPIAD

M. Nkuna

Congratulations to Phindulo Mposi (7D) and Thabo Classens (7F) for proudly representing our school in the Technology Olympiad which was held at Brixton Primary School.

We are especially proud of Phindulo for advancing to the District Olympiad - what an outstanding achievement! Your hard work and innovation have inspired us all. Keep soaring to greater heights!

SCIENCE FAIR

N. Mashilo

On Tuesday, 27 May 2025 our school hosted the Johannesburg North District (Central Cluster) round of the Grade 6 Science Fair.

This year saw Junior Mmutlane (6B), Engetelo Muthombeni (6M), Zenande Sibanda (6N), Sibusisiwe Mabela (6N) and Uakona Nwamadi (6N) representing our school at this round.

At the end of the day, Sibusisiwe was placed in position 2 in her topic, Earth Sciences.

Well done to the learners that participated and took the giant leap, and thank you to all the teachers and staff members that stepped in to make this event one for the books.

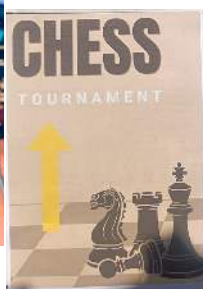

CHESS

B. Dumani

On Saturday, 24 May 2025 our chess team took part in the Randburg Cluster Chess tournament hosted at Delta Park School.

This was the first time our learners competed with other schools. They played 5 rounds.

Oratile Malemetja (7D), Junior Mmutlane (6B), Owethu Sithole (7I) and Mosa Ngubeni (6B) performed well on the day despite not being making it for the next round.

Thank you to Ms Dumani and the parents that made it for the day.

We hope this is the beginning of many more challenges.
